

## **Communications Committee Update – April 2010**

*Submitted by Katty Inge*

The Communications Committee's primary activity these past few months has been the nominations process and elections for the APSE Board of Directors. Thanks to our Co-Chair, Suzy Hutcheson, the process went smoothly, and APSE now has the following new Board Members: Michael Capps, Vic Gable, Lindsey Haaser, and Elizabeth Perry. David Hoff also was re-elected to serve a second term of office. Congratulations to these dedicated APSE members!

The Committee is currently discussing ways to improve the nominations and elections process. The number of APSE members voting has been low for the past two years. Voting is a membership benefit! If you think that your vote does not count, you are incorrect! Every vote is important and can make a difference in who is elected. If you have ideas on the nominations and election process, please do not hesitate to e-mail them to Jenny at the National Office.

The Communications Committee is also working on ways to improve communication between the National APSE Office and the membership. We are developing a survey that will be disseminated at the National Conference in Atlanta. Members who are unable to attend will have an opportunity to fill out the survey online. Please watch for an e-mail and make your voice heard!
